

# The Tuscarora Tide

## *June Events ~*

### Man Overboard Presentation and First Responder Thank You – Saturday June 8<sup>th</sup>

The harrowing story of Justyn Dudek's adventure on the high seas, and the daring rescue to follow. It was informative. I laughed and I cried! Thank you to Jeff Jordan for organizing, to all who attended, but mostly to the emergency responders that we must never take for granted.

### Sail Past – Saturday June 15<sup>th</sup>

Except for Mother Nature, it was a perfect Sail Past! Those of you in attendance know it was great event and dinner/party. Thanks to all those who made basket donations.

Unfortunately the high winds (and water) prevented a safe boat parade. We will reschedule the parade as soon as possible (perhaps even this weekend). Look for an email with the details!

Pub Crawl – Has been postponed. Hopefully it will be organized for a date later in the season when the conditions are better.

Book Club – Sunday, June 30<sup>th</sup> @ noon – “My Name is Mary Sutter” by Robin Oliveira

## *Work, Work, Work ~*

From adding risers onto our docks to adding stone to the mainland wharf we have been working more than boating lately! Thanks to all who have helped out this month to improve our club and fight back the high water. Please be sure to put in for your Work Hours <[HERE](#)>.

## *Ships Store ~*

The Ships Store will be open Saturdays Noon - 2pm (Weather Permitting) and during many social events.

We are fully stocked and ready to go. It's a good time to pick up a new TYC Burgee or TYC Decal for your boat. We have a good supply of Caps, Polos and other regalia. Stop by and check out our new stock...
