Commodore's Message

As we look ahead to the 2026 season, I'm reminded of what makes Tuscarora Yacht Club such a special place. It's more than the boats, the water, or even the sunsets. It's the people who bring this community to life. Every year, our members contribute their time, talent, and spirit to keep TYC strong, welcoming, and connected.

This season, we continue our commitment to renewing the family friendly atmosphere that has always been part of our identity. With improvements to the clubhouse, a new playground, fresh energy in our events, and a focus on engaging the next generation of members, we are building a club that honors its traditions while looking confidently toward the future.

Your Board of Directors, Chuck Panepinto, Kevin Dunn, Greg Sutton, Bill Shaw, Matt Deering, Jerry Trankle, and Chris Mack are all superstars, and I'm fortunate to have them at the table with me. From developing a formal mentor program for new members to supporting infrastructure projects like ground fill and newly paved roads, our goal is to strengthen the club's body and soul.

I am grateful for the dedication of the Board, our volunteers, and every member who steps forward to help. Your support makes it possible for us to maintain the high standards and warm camaraderie that defines TYC.

Thank you for being part of this community. I look forward to sharing another safe, enjoyable, and memorable season with all of you.

The Early History of TYC

In the early 1960s, a number of dedicated sailors who kept their boats at Beccue's Marina formed a sailing school for their children using two Sabot dinghies. This was the beginning of what we now know as the Tuscarora Yacht Club.

The TYC Island, formerly known as Wintergreen Island, was purchased by Red Clark in 1960 from the owners of a Victorian-style house that burned down in 1958. The former guesthouse of this home was a log cabin on the island.

Red moved the log cabin next to his tennis court and constructed a hot dog stand, miniature golf course, and forty docks on the island. Since the hot dog stand was not profitable, Red approached Bill Burhans, Dick MacFarlane, Merle Zehr, and Ray Capen with a proposal to rent the docks from him. In 1964, about twenty individuals left Beccue's and came to Wintergreen Island. These individuals legally incorporated the Tuscarora Yacht Club in 1968 and formally leased the island from Red. As TYC continued to grow, Red added more docks. Milt Ulrich initiated a social aspect for the club in the form of parties. Dick MacFarlane's daughter, Vicki, designed the TYC burgee.

In 1973, the original TYC stock corporation was reincorporated as Wintergreen Island Yacht Club—with principals Bill Burhans, Dick MacFarlane, Merle Zehr, and Ray Capen—to maintain the island as a place to keep boats for a reasonable cost. George McKinney proposed establishing TYC as a not-for-profit club. This change was accomplished by having the four principals of the Wintergreen Island Yacht Club lease the island to TYC for one dollar. The reorganized TYC required that all members place one year's fees into escrow to cover the succeeding year's lease cost and assure Red of continuity of payment.

From these humble beginnings, TYC has grown into the marvelous organization it is today.

Rules & Policies

GENERAL

First and foremost, this is your club; treat it as you would any of your other possessions. Remember, you pay for the privilege of your surroundings at TYC. If we all help to maintain the property, the cost of operations, and thus the cost of your dues and dockage, will continue to be among the lowest rates available.

All club members are responsible for doing their fair share to maintain the club property and/or to assist in club social events. Don't wait to be asked. Volunteer to the Vice Commodore for social events or the Director of Operations for grounds work. Remember that those who don't contribute cost us all, either in terms of reduced benefits or increased fees. Therefore, each full member of TYC and/or spouse will be required to spend ten hours of work per boating year performing service for TYC.

Board members will keep an ongoing list of items and jobs that need to be completed all year long on the TYC clubhouse bulletin board. Duties could be anything from planting flowers, helping with spring cleanup, chairing parties, cleaning up after parties, assisting with mowing, assisting with launch crew and haul out crew, painting, etc. The value of each hour of your work for the club has been set at \$20.00. Those not performing ten hours of work will be fined the per hour rate for the hours not worked after the work year ends, December 31st. (3/14/18)

RULES AND POLICIES

1. Club members are responsible for the safety and behavior of their families, guests and friends. The member is responsible for seeing that club rules are followed
2. All full docking members are responsible for their Officer-of-the-Day (O.D.) assignment. If you are unable to complete your O.D. assignment you can ask another member to fulfill your assignment, or hire an off-duty steward to replace you. You must notify the Director of Harbor Operations if modification to the schedule have been made. If you fail to complete your assignment, you will be assessed a \$50.00 fine. The OD schedule will be posted on the TYC clubhouse bulletin board, in the Steward's office and TYC website. You are required to sign in at the Steward's office on your scheduled date.
(3/14/2018)
3. Every member (and his family, guests and friends) is responsible for cleaning up after themselves around their dock, and after using any club facilities. Boxes should be flattened before depositing in the recycling totes. (3/14/2018)

4. Trying to force the main gate is punishable by a \$25.00 fine plus repair cost. Be patient; a member will open it for you if you have forgotten your card.
5. We have limited space for members' vehicles. One vehicle per member is permitted on the island. Members' vehicles should be parked on the landside of the island road, not on the waterside.
6. Vehicles of guests and friends must be parked in the upper lot outside the gate. (2016)
7. Traffic around the island is one-way, going counterclockwise. **The speed limit on the island is five mph. This rule is critical for the safety of children playing on the grounds and people walking on the street.** (3/14/2018)
8. All motorhomes, campers and any style trailer (boat, camping, etc.) must be parked in the upper lot.
9. Approved Dinghy's with trailers are allowed in the designated area of the island parking lot. (3/14/18)
10. No camping tents or motorhomes are allowed anywhere on the club grounds. (3/14/2018)
11. The stewards work for TYC and have their job

assignments designated by the Director of Operations. They are not members' personal servants. They have been trained to be always helpful, co-operative and courteous to members and guests.

12. The kitchen is for use by club members and visiting boaters. If you use the kitchen, please leave it in better condition than you found it.

13. Pets must be leashed and kept out of the clubhouse and off the main patio of the Club house. Pets are permitted only on the visitor's patio at the southwest corner of the clubhouse. It is the owner's responsibility to clean up after their pet. Failure to comply will result in a \$25.00 fine.
(3/14/18)

14. When cruising away from the club, either overnight or for extended periods, be sure to sign out at the steward's office, so that your slip will be available for guests in your absence and for your boat when your return. If you return earlier than planned, call the steward either by phone or VHF radio to be sure your slip is vacated before your arrival. The club monitors VHF Channel 68. Also, when cruising away from the club, it is expected that members park their cars outside of the gate, in the upper parking lot. (4/6/23)

15. All cradles must be labeled with the owner's

name, bow and stern identified, and slip number. Failure to comply results in a \$25.00 fine. (3/14/2018)

16. Spray painting of boat bottoms or topsides, in or out of the water, power sanding or media blasting without complete containment is prohibited on club property. This rule has been enacted by the Board due to the potential for liability to the club. Violation of this policy will result in loss of privileges for winter storage of the member's vessel for one year and/or a fine of \$500.00. A second violation will result in automatic revocation of your TYC membership. (3/14/2018)

17. The boat owner or his designated (in writing) representative must be present for haul out, launch and mast stepping or un-stepping. Your boat and mast must be ready to go when the crane and crew arrive. The crane and crew will not wait for you to prepare; they will move on to the next boat/mast. If time permits, they will come back to you at their convenience; and you may be liable for additional crane and crew charges. Otherwise, you will be responsible for haul, launch or mast stepping / un-stepping at your own expense.

18. Boats without visible sling marks will not be launched or hauled out by TYC's crews.

19. For safety reasons, only the club crew may use the

gin pole on designated launch, haul out, mast stepping and mast un-stepping days. Members may operate the gin pole on any other days providing they have taken training in its operation.

20. Winter-stored masts and all mast horses and/or storage supports must be removed from the island no more than one week from the date of launch. Any masts and materials that remain after that time will be moved to the upper parking lot by the club. A service charge of \$25.00 will be assessed to the member, and the club will not be responsible for any damage or loss to the member's property. (2016)
21. Any dock uprights that extend into the water must be removed by the slip renting member by November 15th in order to prevent ice damage to the dock. Members failing to do so will be assessed a fine of \$25.00.
22. In order to enhance the safety of the crane crew, no frames may be erected or masts stored on boat topsides before the boat is hauled. If you have stored your mast or erected a frame on your boat before haul-out or have not removed the mast or frame at launch time, you will NOT be hauled / launched.
23. New members desiring a dock box and members in need of replacing old dock boxes should use Rubbermaid or similar boxes of the 54 inch or less

variety.

24. All trailers stored in the upper parking lot must be registered with the Fleet Captain. Trailer storage fees apply (see TYC membership cost). Trailers not registered may be subject to a \$25.00 fine and removal from the property at owner's expense. (3/14/18)
25. As a courtesy to other members and guests, proper attire should be worn in the clubhouse and patio areas. Shirts, shoes, and bathing suit coverings are required.
26. Members using the crane for haul out that do not store with TYC will be billed \$10.00 x the length of vessel to cover crane costs.
This cost will cover crane charges to Haul and Launch a boat, not stored on the TYC club grounds. (3/18/18)
27. Clubhouse Interior and Patio/Grill areas are designated no-smoking zones. The term no-smoking would include smoking of cigarettes, cigars, pipes, and vaping or e-cigarettes. (3/2/19)
28. All kayaks stored in TYC racks must be identified with the owner's name. Kayak storage racks are in season only, and all personal kayaks must be removed after haul out. (4/6/23)

2026

requiring a large quantity of diesel, not suitable of fueling from a small container, should obtain fuel from another source in the harbor. (3/14/2018)

- d) Follow the steward's instructions when fueling at the gas dock. The Club has a large fire extinguisher adjacent to the fuel pump. **Know how to use it before starting any fueling.** Follow safe fueling practices, i.e. as outlined in *Chapman's*. Fuel shall be performed during daylight hours only. (3/14/2018)
- e) The operator is responsible to insure that NO spill of petroleum occurs during fueling operations. If spillage does occur, a Steward and Board Member must be notified immediately. The Club provides appropriate clean-up equipment which must be used to contain and clean-up the spill.

BEFORE FUELING SAFETY PRECAUTIONS

(2/24/18)

- a) Make sure that your boat is securely tied to the fueling dock.
- b) Stop engines, motors, fans, and other devices capable of producing a spark. Open the master switch if your electrical system has one. Put out all galley fires and open flames.
- c) Close all ports, windows, doors and hatches so

that fuel vapors or flames cannot blow aboard and below.

- d) Disembark all passengers and any crewmembers not needed for fueling operations.
- e) No smoking on board or in the vicinity.
- f) Have a filled fire extinguisher from your boat close at hand. Know how to use the large fire extinguisher located at the gas pump.

- e) Be prepared to cast off lines as soon as your engine starts; get clear of gas dock quickly.

2. The Fleet Captain shall maintain a map showing the minimum and maximum boat size for each slip or group of slips in terms of length, beam, draft, and mast height if appropriate.
3. The Fleet Captain shall maintain a current slip request list and a slip change list of all members requesting a slip or a slip assignment change. These lists shall be ranked by seniority for the sole purpose of notifying interested members when an appropriate size slip becomes available. (2/24/18)
4. If a slip becomes available at any time during the year, the details of the slip will be posted on the Club's Website and an Email notification will be sent out to all members. Available slips will be posted in the TYC clubhouse bulletin board between launch and haul out. The slip's availability shall be made available for a minimum of 14 days before an assignment is made by the fleet captain. The member will then have 7 days to accept or reject the offered slip. Any additional names that appear on these postings will be added to the slip Request list or the slip change list. (3/14/18)

another available location that meets the requirements of his boat.

6. Temporary Slip fees for any member who does not have an assigned slip, whether or not paying Slip fees at another marina/club, will be charged at a rate of \$0.50 per foot per day.
7. If, for any reason, a slip is assigned to a member with a boat shorter than the designated minimum length for that slip, that assignment will be valid only for the first year and for one full year following, and the Slip fee will be for the designated minimum footage. If the member does not obtain a larger boat during that period, the Fleet Captain retains the right to reassign that member to a slip that more appropriately matches the size of the boat.
8. During the Fall Slip reservation period, reservation forms will be sent via email to prior season Slip holders. Reservation forms should also be used to communicate Slip change requests. Information will be added to the slip change list. (3/14//18)
9. A Slip Reservation Deposit is a formal request by the member to reserve his/her Slip for the upcoming year. The Slip Reservation Deposit is **non-refundable**. Slip Reservations may be rescinded up to one week prior to launch. After

that date, the member is responsible for the full assessed fee of the slip. (2/24/18)

10. Members wishing to keep their current slips for up to one year without using it, or that wish to forfeit their slip after launch, are required to pay the full assessed Slip fees due for that season. Notification must be made in writing of their intent to the Fleet Captain, whereby the Fleet Captain will make every effort to fill the slip with a new member, or a current member that is awaiting an assigned slip, at prevailing rates. The club will then reimburse said member for any and all extra Slip fees collected during the time from the new member or current member is in the slip. If full payment for Slip fees is not made, then per the By-Laws Addenda 3, (in part) the member is considered in arrears and membership is subject to termination.
11. The club cannot be held accountable for High lake levels effecting dockage. (3/11/18)

New Member Slip Fee Policy

For a new "Full" member that is assigned a Slip, Slip fees will be calculated as follows for the first year:

1. If seniority date is before June 1st, the full year Slip rate applies. (Length of boat times current Slip rate)

[Return to Index](#)

TYC Roster

2026

2. If seniority date is on or after June 1st, Slip fees will be prorated in the following manner:

Length of boat time's current Slip rate divided by total number of Slip days (Launch to haul out) equals daily Slip rate for that year. This daily Slip rate is then multiplied by the number of days left in the season starting with the 1st day that the Fleet Captain assigns a Slip to the day of haul out.

(Example – Length of boat 30', use current Slip rate per foot, in this example multiply by \$62.00 per foot which equals \$1860.00. If TYC launches on May 1st and hauls boats on October 1st this equates to 153 Slip days between launch and haul out. Divide \$1860.00 by 153 Slip days and the daily Slip rate is \$12.15. If a new member is assigned a Slip on June 10th by the Fleet Captain and the haul out is October 11th there are 112 days from that assignment to haul out, therefore the member would be responsible for 112 days times the daily rate of \$12.15 or \$1361.56.)

Also in accordance with Article 3, Section 10 of the By-Laws: Any member whose membership commences on or after August 1 will have their membership dues credited to the following year. (2/24/18)

RESERVATION POLICY

Social events are an important part of the club's activities. It is the goal of the club to offer these events in a manner which will provide little to no burden to the club's yearly budget. When there is a cost to an event, planning requires that we set prices for those attending. This price setting covers the costs while keeping the price to members at a minimum. Event planners need to have an accurate count of those committing to attend. For that reason, the club, when deemed appropriate, will post on the event announcement the term, "Reservation Policy in Effect". This means the following:
