## WELCOME TO THE TUSCARORA YACHT CLUB

## 2015 VISITOR INFORMATION

*This brochure should answer most of your questions. If it doesn't, please ask a Steward, the Officer of the Day (OOD), or any Club Member for assistance.*

Enjoy your stay  
and visit us again!

**The Tuscarora Yacht Club  
Extends a warm welcome to all  
Guests & Boaters from Reciprocal Clubs  
Who visit throughout the year!**

### **LOCATION**

TYC is conveniently located on Clark Island on the port side of the main channel just inside the entrance to Wilson Harbor. We are a short ten to fifteen minute walk to the Village of Wilson and several waterfront restaurants.

### **ARRIVING BY BOAT**

Visitors are asked to hail 'Tuscarora Yacht Club' on VHF channel 68 prior to entering Wilson Harbor to inquire if dock space is available. Upon arrival, visitors should tie up at the TYC gas dock, then register at the Stewards' Office. Stewards are on duty daily throughout the boating season and will assist with docking. Reservations are not accepted and all boaters are accommodated on a first come, first served basis.

### **OARS VIDEOPHONE**

The US Customs and Border Protection OARS videophone is located on an outbuilding at the Wilson-Tuscarora State Park boat launch at the western end of Wilson Harbor.

### **VEHICLES**

Visitor parking is *only* available in the upper parking lot outside the gate. The island speed limit is 5 mph.

### **RECIPROCAL AGREEMENT**

TYC offers docking privileges to all boaters who are *full* members at any yacht club with whom TYC shares reciprocity. Membership cards must be presented. TYC's reciprocal rate is \$10.00 per night with a maximum length of stay of three nights. The maximum number of stays in one year is at the discretion of TYC. Social memberships will not be honored.

### **DOCKAGE**

TYC does not have dedicated visitor slips. Visitors will be assigned to empty slips or the slips of traveling members. Slip assignments are made by the Steward or OOD; their decision is final. TYC reserves the right to move a visiting boat to another slip if necessary. TYC can accommodate boats up to 43 ft. and drafts up to 6 ft. Water and electric are available. There are no mooring facilities at TYC. Please use bow, stern, and spring lines. Tie halyards and lines to reduce noise. Boats may not be left unattended overnight.

### **FACILITIES**

TYC is a working club. All members and visitors are responsible for cleaning up after themselves around the docks and after using any club facility.

### **CLUBHOUSE**

The clubhouse and facilities are available for use by all members, their guests, and visiting boaters. The clubhouse offers a full kitchen including ranges, refrigeration, microwave ovens, and outside grill station. Dishes, pots, pans, and various utensils are also available. Please leave the kitchen and grill station in a clean condition and put everything away. Soda and ice cream are available in the clubhouse and ice is in a locker outside; payment is on an honor system.

### **ATTIRE**

At TYC, dress is informal but shoes and shirts are required in the clubhouse and patio areas at all times. Bathing attire is not permitted in the clubhouse or patio areas.

### **BARBECUES**

On board grills are *not* to be used on club grounds. Grills are available at the grill station on the east side of the clubhouse and on the Haines patio. Grilling utensils are stored in the kitchen.

### **WI•FI**

TYC provides secured Wi-Fi access for the dock areas and clubhouse. The password is available from the Steward, the OOD, or any club member, and is posted at the computer in the clubhouse.

### **SAFETY OF CHILDREN**

Children must be supervised by an adult at all times and are *required to wear lifejackets when on or near docks*. There is a children's playground area.

### **SHOWERS AND WATER SUPPLY**

Clubhouse washrooms and showers are accessible 24 hours a day. TYC has a limited water supply; please conserve water in the clubhouse and at the docks. TYC does not offer laundry facilities.

### **FUELING FACILITIES**

TYC offers limited fueling to visitors. Gasoline is available at our gas dock. Ask a Steward or the OOD for assistance. Credit card payments are gladly accepted. Diesel fuel is sold at the Wilson Boat Yard Marina east of the club. Fueling is permitted only at the gas dock.

### **PUMP OUT**

A self-service pump out facility is available for a nominal fee of \$5 per use. Please see a Steward or the OOD for access.

### **PETS**

Pets are welcome but must be kept on a leash at all times and are not allowed in the clubhouse or on the patio areas. Please clean up after your pet.

### **LOANER BICYCLES**

Bicycles are available for visitors to access the village, other clubs, or local restaurants. Bikes are located in a rack next to the maintenance shed on the west end of the island. Use of the bikes is at the rider's own risk and TYC is not responsible for loss or damage to personal or private property or personal injury.

### **BOAT TOURS & WATER TAXI**

During the summer season, the Wilson Boat House Restaurant operates a Boat Tour & Water Taxi in the harbor on Thursdays & Fridays from 4 pm-dusk, and on Saturdays & Sundays from 2 pm-dusk. Call Danny at 807-7926, or Vinnie at 807-7732, to inquire on availability and to arrange a pickup. There is no charge for this service but they appreciate tips!
